

# Celebrate Chaplaincy Sunday

NOV  
16

Chaplaincy  
Sunday is  
November 16

Chaplains embody the love of God to persons outside the walls of the church in settings that require specialized training and education. Chaplains of the Christian Reformed Church are exceptional, well-trained ministers of the Word or commissioned pastors who demonstrate God's love in tangible ways often to those who are hurting or in crisis. Their presence transforms these settings into unexpected places of grace.

You have the opportunity to donate to Thrive and help provide the necessary professional training and resources for our chaplains. Thrive enlists, endorses, advocates, trains, and supports the chaplains of the CRC as they carry out their ministries in a variety of settings.

Please give to Thrive and their work to support chaplains. Scan this code for direct online giving and choose the fund for Chaplaincy.
