

DARKNESS to LIGHT

END CHILD SEXUAL ABUSE

What is Stewards of Children®?

In the United States 1 in 10 children are sexually abused before reaching adulthood, even in West Michigan. But YOU have the power to prevent child sexual abuse! Stewards of Children is a prevention training program that teaches adults how to prevent, recognize, and react responsibly to child sexual abuse. The program is designed for any individual concerned about the safety of children including teachers, parents, church leaders, community members, and more. It is the only nationally distributed, evidence-based program proven to increase knowledge, improve attitudes, and change child protective behaviors.
