- ☐ Moss on a fence post
- ☐ A red flower
- ☐ A spider in a web
- ☐ A hole in tree made by a bird
- ☐ A dandelion in a sidewalk crack
- ☐ A flower bud
- ☐ A bee inside a flower
- ☐ A fossil in a rock
- ☐ A bunch of wild berries on a branch
- ☐ A seed head from a grass plant
- ☐ A small trickling waterfall
- ☐ A brown center of a flower
- ☐ A ladybug with 6 spots
- ☐ A pinecone
- ☐ A mushroom
- ☐ Green lichen on a tree
- ☐ A tree with fruit on it
- ☐ An oak leaf
- ☐ A cap of an acorn
- ☐ A cloud in the shape of an animal
- ☐ A leaf with a rough edge/margin
- ☐ A small heart shaped stone

“Let the fields and everything
in them rejoice. Let all the
trees of the forest sing for
joy.” Psalm 96:12

**CLIMATE
WITNESS
PROJECT**

Enjoy the great outdoors that God has given us.
Try some of these activities this summer!

Create a backyard garden

Picnic in the park

Paint a picture of a scene outside your window

Lay in the grass and read a couple good books

Learn how to play a new outdoor game

Go camping

Go bird watching

Go on a hike

Attend a local camp

Invite your friends to play outside

Go for a lake swim

Learn the names of the trees in your yard

Brought to you by Grade 7 Students from
Lacombe, Alberta and the Climate Witness Project
