crcna.org/Inspire2017

Inspire 2017 is a conference to connect people from across the CRC's 1,000+ churches for three days of . . .

**powerful worship
practical workshops
engaging speakers
conversation.**

We'll gather to **refresh, refocus, and reimagine** how our shared calling finds expression in our local communities and beyond. If you're involved in ministry at any level in your church, this event is designed for you.

We hope you'll find reason to search, dig deep, pray and determine for yourself whether a time with other believers would **refresh** you. Attendees, all in some sort of church ministry, will gather to worship, participate in learning sessions, wholesome conversation, and prayer, and will be surrounded by other believers all ready to support each other.

Inspire 
2017
...a new kind of CRC event

Consider this time together as a time of **renewal**. Hearing conversation about ministry, talking to folks trying experiments in their churches and communities, hearing stories of success and findings in failure, praying with people looking for a partner in ministry, and experiencing the goodness of God in someone's story is planned to energize you.

Our prayer for you is that you will be **refreshed, energized, and inspired** to do the work God has called you to and gifted you for in the place He has you.

Why should a North Hillian attend Inspire 2017?

- We all want to be more vital members of Christ's Church. **Inspire 2017** will provide great times for renewal and reenergizing of our **faith lives**.
- Sometimes ministry at any level can become lonely, frustrating, or wearisome. Inspire 2017 may have just the right **antidote** for such feelings or frames of mind.
- The breakout sessions and workshops are designed to provide something relevant and significant **for every type of ministry worker**—Sunday school teachers, youth group leaders, nursery attendants, deacons, elders, pastors, worship leaders, GEMS and Cadet leaders, children's church leaders, prayer leaders, outreach volunteers
- Christian ministry can become "stuck in a rut" at times. Inspire 2017 offerings will provide **fresh ideas and possibilities** to renew current ministries and refresh practices.
- North Hills is not in close proximity to many other CRCs, so it's easy to lose touch with our **CRC identity**. Inspire 2017 will provide many opportunities to learn about the denomination and what is happening denominationally. It will allow us to meet many from our sister churches throughout the U.S. and Canada.
- New North Hillians not formerly acquainted with the CRC will be able to learn much more **about the CRC**.
- We all want to be better at what we are doing for the Lord and for His Kingdom work. The breakouts and workshops will serve as wonderful **learning opportunities** for any church member in whatever role they play within the church.
