What is our only hope in life and death?

That we are not our own but belong, body and soul, both in life and death, to God and to our never-leaving Christ.

Introduction to the Catechism | FAQ | The Gospel Coalition

**Uncommon Youth Ministry: Your Onramp to Launching an Extraordinary Youth Ministry** Paperback – August 1, 2008  
by Jim Burns (Author)  
★★★★★ 4 customer reviews

See all 3 formats and editions

Paperback  
**\$14.55**

17 Used from \$9.88  
23 New from \$9.75

**Your Onramp to Launching an Extraordinary Youth Ministry** This comprehensive and practical resource about relational youth ministry is designed to help youth leaders build active, healthy youth groups that lead students to commitment to Christ through genuine relationships with their peers and youth workers. Theoretical enough to be used as a youth ministry text, yet practical enough for lay leaders to use effectively.

Includes information on relational ministry, understanding youth culture, developing student leadership, building youth staff, discipling for lasting commitment, stimulating individual faith, effective counseling.

**What the book is about**

This book is about the pivotal importance of children's relationships to those responsible for them and the devastating impact in today's society of competing attachments with peers. However it is much more than a book on peer orientation: it is about parenting with relationship in mind. This book restores parents to their natural intuition, confronting such relationship devastating devices as time-outs and using what children care about against them. Offering effective strategies for preserving and restoring the child-to-parent relationship, this book provides refreshing natural alternatives to today's contrived methods of behavior control. The content is relevant to parents of children of any age, from infants right through to adult children. Readers have commonly commented on how much hardship and confusion they could have avoided had this material been available to them right from the beginning.

When the original edition was released in 2004, it was just before the emergence of Facebook and other social media. In retrospect, the book amply foreshadowed, but could not fully have pictured, the impact of the digital revolution that followed. The book was re-released in 2013 with additional chapters on raising children in a digital world.

**How the book has been received**

Hold On to Your Kids was first released in Canada in 2004 and became a national bestseller within weeks. The book is now available in the United States and Europe and has been translated into French, German, Spanish, Italian, Hebrew, Hungarian, Russian, Portuguese (both Brazilian & Portugal versions), Japanese, Korean, Swedish and Norwegian. The book received a starred review from Publishers Weekly, was Amazon.ca's top-selling Canadian nonfiction for 2004, struck a responsive chord in reviewers' hearts, and won enthusiastic endorsements from professional colleagues and well-known authors across North America. This book has also generated hundreds of grateful responses from readers and a host of 5-star reviews on [amazon.ca](http://amazon.ca) and [amazon.com](http://amazon.com). Judging by the book's reception, the relational message has been like water to parched earth. Hold On To Your Kids has found its way into many book study groups including school-based parent groups as well as noon-hour teacher groups. Robert By, the American poet and author, was so impressed with the wisdom it embodied that he exhorted people "to give a copy to every parent you know".

Provided a vivid and insightful view into the world of today's teenagers. Now leading youth ministry expert Chap Clark substantially updates and revises his groundbreaking bestseller (over 55,000 copies sold). Hurt 2.0 features a new chapter on youth at society's margins and new material on social networking and gaming. Each chapter has been thoroughly revised with new research, statistics, quotations, and documentation. Praise for the first edition "Based on solid research and years of insightful observation, Hurt offers a deep and penetrating look into the contemporary adolescent experience that will serve us well as we work to have a prophetic, preventive, and redemptive influence on the world of today's youth culture." -Walt Mueller, Center for Parent/Youth Understanding "A daring yet honest of a glance into the underworld of teen mentality, self-identity, and society." -A contemporary "Read more"

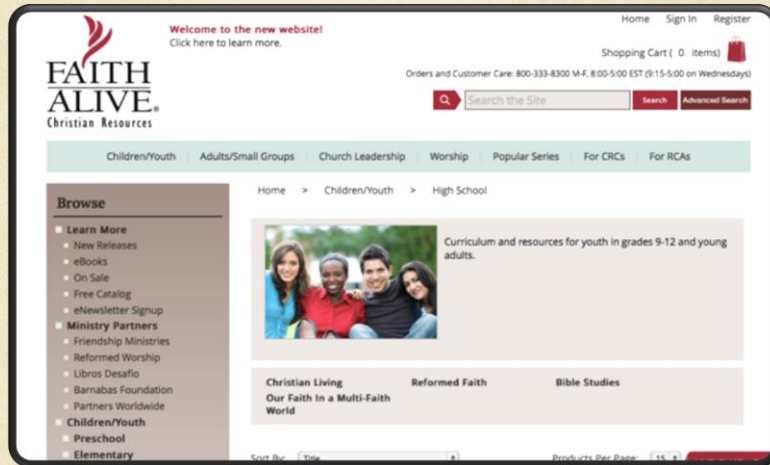

**"The Indulgent Parent"**  
Child development specialist Dr. Stephen Camarata arms parents and caregivers with the confidence and knowledge they need to quit worrying and enjoy the time they have with their child. [Learn more](#)
