

Annual day of **JUSTICE**

This is the fast I desire: to lose the bonds of wickedness, to untie the cords of the yoke, to let the oppressed go free, and to break every yoke.

It is to share your bread with the hungry and bring the homeless poor into your home; when you see the naked, to cover him, and not to ignore your own kin.

— Isaiah 58:6-7

FROM BANGLADESH

to your backyard...

Food insecurity is affecting millions of people worldwide, but this is not a simple issue of poverty. There are many layers of injustice that create challenges to accessing safe and nutritious food for both our global and local neighbours. A lack of affordable local grocery stores in downtown Calgary, unpredictable rainy seasons in rural Kenya, or effects of the conflict in Ukraine trickling out to neighbouring countries: the disruptions of shalom in our world break our hearts. We believe that God sees all of these situations and desires that we enter into them in love.

World Renew, Diaconal Ministries Canada, and the Justice and Mercy ministries of the Christian Reformed Church in North America invite you and your church to participate in reducing food insecurity and to explore alternatives that respectfully and sustainably contribute to long-term changes to food access.
