**Chaplaincy and
Care Ministry**

What do chaplains do?

Chaplaincy is a healing, reconciling ministry of God, an expression and extension of God's activity and mission in the world. It provides pastoral ministry in specialized settings to people who are hurting or in crisis, uprooted or dislocated. Through the presence of chaplains, the very settings in which they minister become surprising places of grace.

Where do chaplains serve?

How can I support chaplains?

- Invite the chaplains in your area to preach, teach, and share about their ministry
- Pray for our chaplains and the people they serve
- Pray that organizations and institutions may be open to developing and supporting chaplain programs
- Donate to CRC Chaplaincy and Care Ministry to provide training and resources for chaplains
