

Greetings!

We are writing to you today to inform you of a current opening for a Director of Worship & Technology at Mason County Reformed Church (MCRC). MCRC is a church located near the lakeshore in northern Michigan and just east of the city of Ludington in the community of Scottville, MI. MCRC is affiliated with the Synod of the Great Lakes of the Reformed Church in America. MCRC is a multi-generational and diverse congregation of approximately 320 members with a total Sunday morning attendance fluctuating seasonally between 300 and 500.

We are currently at the front end of the process to hire a Director of Worship & Technology. Our vision for this particular opening is to find a talented candidate to:

“offer both music and leadership at weekly gatherings in such a way that it is first and foremost, irresistible to Mason County’s demographics by being culturally relevant and that it’s done in such a way that it engages both those within and outside the MCRC family.”

We would like to invite you to submit your resume and preferably a DVD or a video link sharing with us your leading within a worship setting.

Please submit all information to: MCRC Director of Music & Technology
