LIVING JUSTICE • LOVING MERCY • SERVING CHRIST

“AND MY GOD WILL SUPPLY ALL YOUR NEEDS ACCORDING TO HIS RICHES IN GLORY IN CHRIST JESUS.” — Philippians 4:19

Families living in poverty face barriers day after day. Finding clean water, quality health care, and resources to generate income can be a struggle—all while working hard to have enough to eat.

Hunger finds families while they are at their lowest and pushes them to write a story embedded in hardship, pain, and suffering. But with God, hard work, and support like yours these stories can be rewritten into testimonies of good health, enough food, and hope.

For Lucia, her husband, and their seven children, hunger was a daily reality. Most of the money they earned from farming and selling firewood was used for food to feed their family. What was left of their income went toward other basic needs, making it nearly impossible to finish building their house.

World Renew encourages families like Lucia's to develop their God-given gifts and talents and lean on Him to meet all of their needs.

Through training in savings and loans and agriculture Lucia's family was able to cultivate one acre of land and hire help. The assistance from World Renew has allowed them to break barriers and end hunger for their family. The extra income has allowed Lucia to pay back her loan and provide a better future for her children.

World Renew invites you to join us in changing the story for communities around the world. On World Hunger Sunday please give generously of your prayers and financial gifts. Not only will your gift help to break barriers for families living in poverty, it will be used to supply needs according to His plan for His people.
