BREAKING BARRIERS TO END HUNGER

Families in many parts of the world are working hard to break barriers and move beyond poverty, hunger, and oppression. Through World Renew's programs they are learning ways to improve their lives and write a new story that is filled with hope and promise.

This World Hunger Sunday, join World Renew in changing the story for communities around the world through prayer and financial gifts to supply needs according to His plan for His people. Learn more at worldrenew.net/worldhunger.
