

Worship Ministries Endorsed Coach

Application for Endorsement

Position Description An endorsed coach is someone who has knowledge and expertise to offer the Christian Reformed Church. Individuals who are endorsed are members in good standing of a Christian Reformed Church (or a church in ecclesiastical fellowship with the CRCNA), have worked in the area of worship leadership for five or more years and have already proven teaching/leadership skills in this area. Endorsed coaches need to be willing to represent Worship Ministries at the events they lead, provide a brief follow up report to Worship Ministries, participate in at least one conference call with Worship Ministries staff each year, be contacted by individuals/churches, and negotiate all terms with them. Worship Ministries will promote endorsed coaches on their website and via other appropriate means, be available to consult as requested, offer some administrative support when able, and support coaches in prayer.

Note: that either party can terminate this agreement (take their name off the list) at any time and that an intentional assessment will take place every 5 years for re-endorsement.

(Initial here) KTR I have read the above description and understand the agreement as outlined between myself and Worship Ministries.
