Highlights from meeting of Feb 17-19, 2021

The Council of Delegates of the Christian Reformed Church in North America met via zoom conference call on February 17-19, 2021.

During this meeting, the Council:

- Made the decision, after extensive consideration, to cancel the meeting of Synod 2021(see crcna.org/synod/faq for more info). The Program Committee (officers of Synod 2019) will consider the *Agenda to Synod 2021*. All matters that cannot wait for Synod 2022 will be dealt with at a special meeting of the COD in June.
- Deferred consideration of the report from the Committee to Articulate a Foundation-Laying Biblical Theology of Human Sexuality until Synod 2022. Churches and classes are encouraged to use the “[Challenging Conversations](#)” toolkit as they consider this report in the coming year.
- Heard that there has been an [escalation in the number of offensive comments](#) and even threats towards persons of color and the staff of the Office of Social Justice. A time of lament and prayer took place, some specific next steps were identified, including a consultant to assist staff, and follow up with persons that have been identified as instigators of this type of abuse.
- Heard an oral report on the work of the Structure and Leadership Task Force (SALT). A final report and matrix is anticipated to be brought to the COD in May and will require presentation to the Canada Revenue Agency to ensure we are tax compliant.
- Accepted, with thanks, offers from Colin Watson, Sr., (executive director) and John Bolt (director of finance and administration) to delay their retirements until June 30, 2022, to allow time for a new structure to be decided and new leaders to be appointed.
- Heard reports from the executive director and the Canadian ministries director.
- Ratified Rev. Susan LaClear as the director of Candidacy and heard a bit about her background and call. Said a prayer of blessing for her.
- Welcomed Dr. Amanda Benckhuysen, the new director of Safe Church Ministry and Rev. Tim Rietkerk, the new director of Chaplaincy and Care Ministry. Heard a bit about their backgrounds and call. Said prayers of blessings for them.
- Heard a presentation from Dr. Neil Carlson, director of Calvin University’s Center for Social Research, regarding an analysis of the past four years of the Denominational Survey results. This [year’s survey](#) is now open and churches are encouraged to participate if they are part of this year’s cohort.

- Spent time in a board development session offered by Dr. Debra Brown, founder, president, and CEO of Governance Solutions, Inc.
- Heard that Inspire (the biennial denominational conference) will be deferred until August 2022 because of the COVID-19 pandemic.
- Heard reports from the directors of Resonate Global Mission and ReFrame Ministries (formerly Back to God Ministries International). Endorsed an evaluation report about Global Mission outlining the importance of church planting, and that everyone in the CRC must begin to see themselves as a missionary. This report will be forwarded to synod for approval.
- Heard a brief report on missionary support raising and received minor changes to the missionary support program model.
- Endorsed the ReFrame Ministries foundational documents such as vision, mission, core values, and strategy.
- Took note of the annual report by Safe Church Ministry regarding safe church teams in the classes and churches, as well as updates on resources for culturally diverse churches, the diversity in denominational boards and staff, and on syncretism.
- Received a completed report from the Abuse of Power Ad Hoc team, which will be forwarded to synod for adoption.
- Heard an update on work with the Historical Committee to review their mandate and clarify their continued relationship with the funders of Heritage Hall.
- Approved revisions to the letters of call for commissioned pastors and ministers of the Word.
- Supported the executive director in declining a personal appeal of a decision of Synod 2019.
- Heard a report from the *Banner* advisory committee.
- Appointed various people to fill vacant roles on the Council of Delegates and Judicial Code Committee; and recommended to synod slates of nominees for the COD and the Judicial Code Committee.
- Appointed synodical deputies, alternate synodical deputies, and World Renew board delegates in the interim of synod.
- Spent significant time in prayer for the church, its leaders, our congregations, Classis Red Mesa, Indigenous people in Canada, and for unity as the body of Christ.

In addition to the meeting of the COD, this meeting also included the meeting of four corporate entities: CRCNA Canada, CRCNA U.S., ReFrame Canada, and ReFrame U.S. Highlights from these meetings include:
