

Thank you for your interest in Jacob's Well Church Community. We are a great little church looking for a special someone to help us shepherd our flock.

Jacob's Well is dedicated to being a place where people consistently hear the truth of God's Word in a welcoming, relaxed atmosphere. Jacob's Well is a group of believers dedicated to remaining a positive presence in our community. We embrace opportunities to be of service to our neighbors.

Our beautiful facility lends itself to a variety of activities. Our established rental program allows us to maintain our worship services despite the small number of people in our church family. Lay led for 18 months, we have consistently received feedback from experienced guest pastors that our church atmosphere, our worship services, our whole attitude of what church is, is very different, *refreshingly* different from the norm. We celebrate that difference, have worked hard to preserve and enhance it, and pray that God will bring Jacob's Well a part-time pastor who looks forward to helping us obey Jesus' command to go and make disciples. Perhaps you are that pastor?

Please see the Job Description and Church Profile for more information. Thank you for your prayerful consideration.
