

Ingersoll CRC is a friendly congregation that is located on the edge of Ingersoll, a small town in Southwestern Ontario. We meet weekly on Sunday mornings to worship God as a body of believers. We desire to be Christ-centered and faithful to Scripture. We have many weekly programs such as GEMS, Cadets, Friendship, Youth and Prayer Group. We are involved in our community through these programs as well as through nursing home services, Youth for Christ, Right to Life, Beginnings and Refugees Sponsorship.

We are searching for a pastor to provide Biblically-centered teaching, shepherding and spiritual leadership to help us grow in our faith and to equip us with the tools to make an impact in our community.

We subscribe to the CRC doctrine and statement of faith. We seek to be a prayerful growing faith family, using enhanced facilities and programs to improve our connections with each other and our community in service to Christ.

We have 145 professing members that come from Ingersoll and the surrounding area. On average, we have 100-120 people attending worship on Sunday mornings. We have a blended style of worship with two awesome praise teams. Many people of different ages are involved in our services. Sharing of concerns and thanksgiving are part of our weekly services. It is a way that we connect as a body of Christ to encourage and support each other. We are excited about the young families, children and youth in our church. We care greatly about them but lack direction and leadership in some of our programs. We also have faithful and dedicated seniors who we love.

We are excited about our church renovation that has started this spring and will be an ongoing project throughout 2019.

A careful consideration of our church family in the process of preparing for a pastor search confirms that our members are eager for continued spiritual growth. We are excited to meet the pastor that God will lead to our congregation.
