

# Office of Social Justice

*Let Justice Flow Like a River*

The Office of Social Justice works to develop a deeper understanding of and response to God's call to let justice flow like a river in both our personal and communal lives, as well as in the structures of our societies.

We prioritize the perspectives of marginalized people most impacted by injustices, raise awareness, educate members, share resources, and prompt advocacy.

Whether you're just getting started in seeking justice or are looking to dig deeper, the Office of Social Justice is here to support and encourage your congregation.

## Engage with Us

### Workshops

We facilitate workshops on a variety of justice topics for churches, small groups, and schools. Explore our workshop topics at [crcna.org/SocialJustice/workshops](http://crcna.org/SocialJustice/workshops).

### Advocate

We reflect God's love when we call on leaders to protect vulnerable and marginalized people in our communities. To make it easier to contact your elected leaders, we send out action alerts, which are periodic calls for action relating to our main justice issues. Advocate today at [crcna.org/SocialJustice/advocate](http://crcna.org/SocialJustice/advocate).
