Introduction to the Ebenezer Family...

As we embark into 2023, our Ebenezer family is looking forward to celebrating our 75th anniversary. Seventy-five years of God's goodness, guidance and leading. The Ebenezer family was initially formed in 1948 under the name Erie Christian Reformed Church, when a small group of Dutch immigrants, led by their dependence on God, desired to worship together in their mother language. A few years later the group applicably chose the name, Ebenezer, meaning "thus far the Lord has helped us. 1 Samuel 7:12", which today still rings as true as the day the Ebenezer family was initially formed.

Brief History of our Ebenezer family...

The Ebenezer family began under the leadership of home missionary Adam Persenaire, and first gathered with fourteen families on February 20, 1948.

On November 29, 1948, the Ebenezer family first formally organized with twenty-two families and six single charter members under the name Erie Christian Reformed Church. Services occurred at the "Stone Church" east of Jarvis, Ontario.

By May 5, 1949 the Ebenezer family became a calling church and gathered with 100 worshippers.

In April of 1950 land was purchased and first church building was built.

On August 11, 1954, the Ebenezer family formally incorporated under the name Ebenezer Christian Reformed Church of Jarvis.

In 1955 the Ebenezer family was instrumental in the organizing and establishing Jarvis District Christian School, a Christian elementary school.

October 4, 1957, the daughter church, Maranatha CRC was started in York, Ontario by 16 families from the Ebenezer.

October 6, 1957 the daughter church, Immanuel CRC was started in Simcoe, Ontario by 29 families from Ebenezer.

In 1975 the current church facility, with the exception of the administrative wing, was built.

On June 26, 1990 the daughter church, Community Christian Reformed Church of Hagersville, was formed by forty-two families and five singles from Ebenezer.

In 2010 an administrative wing was added to the church building.

Mission, Vision and Core Values...

Our Mission and Vision Statement:

Ebenezer is a Christ-centered Reformed church sharing the good news of Jesus Christ with others for the growth of Christ's church. Led by God's Word and Spirit, we teach, equip and empower people to respond to, be transformed by and share God's saving grace.

Our Core Values:

1. Biblical preaching, teaching and discipleship
2. Commitment to prayer and the sacraments
3. Serving as the hands and feet of Christ
4. Building intentional relationships through intergenerational fellowship and worship
5. Supporting global missions and missionaries
6. Offering love and care to all
7. Promoting a sense of Christian justice and dignity in the world

Our Position Statements...

We believe that the Old and New Testaments are the inspired Word of God, the only infallible rule for faith and life. We affirm three creeds—the Apostles' Creed, the Nicene Creed, and the Athanasian Creed—as ecumenical expressions of the Christian faith. We also affirm three confessions—the Belgic Confession, the Heidelberg Catechism, and the Canons of Dort—as historic Reformed expressions of the Christian faith, whose doctrines fully agree with the Word of God. Along with these historic creeds and confessions, we recognize the following Reformed expressions of the Christian faith, adopted by synod as contemporary testimonies: the call for unity, justice, and reconciliation of the Belhar Confession and the witness of Our World Belongs to God: A Contemporary Testimony.

Lord's Supper/Communion

The sacrament of holy communion, the Lord's Supper is celebrated at regular intervals throughout the year. Professed members in good standing, who accept the Lord Jesus Christ as their Lord and Saviour in this church or in another Christian Bible believing church, whether in person or online are invited to participate.

Public Profession of Faith

Public Profession of Faith (PPF) is primarily the personal response of faith to God's promises made in baptism. In our baptism, God brings us into his covenant family in Jesus Christ, and in PPF we respond by declaring our personal faith and commitment as baptized members in Christ. PPF also marks a passage into full participating membership in this church and CRCNA including attendance and voting privileges at congregational meetings. Persons who accept the Lord Jesus Christ as their Lord and Saviour and are knowledgeable in the CRCNA creeds, confessions and Reformed expressions of the Christian faith are encouraged to publicly profess their faith.

Baptism

The sacrament of baptism is performed by an ordained minister of the Word. The method of baptism is by the sprinkling of water on the forehead of the person to be baptized. Baptism is for children of believing parents as well as for adults who join but have not previously been baptized in a Christian church. An adult who is baptized is also called upon to make a public profession of his or her faith in Christ.

Our Position Statements continued...

Lord's Day

The position of this church with respect to keeping the Lord's Day holy is based on the fourth commandment. Sunday is consecrated to worship; in order to assist congregants in keeping the Lord's Day holy we offer and encourage attendance at two services each Sunday and services offered on days of religious significance.

Human Sexuality

LGBTQ practice is incompatible with obedience to the will of God as revealed in Scripture. The Church exercises compassion for these persons in their sins the same as it does for all other sinners. The Church will help persons with same-sex orientation and give them support toward healing and wholeness. Christians not actively involved in LGBTQ practices are encouraged to use their gifts in the cause of the kingdom and serve within the congregation.

Ecclesiastical Office

This church subscribes to men serving in the offices of Minister, Elder and Deacon. This church has Elder approved male pulpit supply (and does not participate in the Classis approval process for new women ministers).

Marriage

Marriage is an institution created by God. It is a covenant relationship established by mutual vows between a man and a woman (biological gender at birth) united by God. Permanent unity in marriage is possible in Christ and is demanded of Christ's disciples who are married. The Church has a guideline document on marriage and the marriage ceremony.
