

JAMESTOWN REFORMED CHURCH

Profile

We want to welcome you to Jamestown Reformed Church. We are a community of Truth-Seekers, inviting you to join our journey to pursue Jesus. Our church has a rich history, dating back to 1889. We are located in the heart of Jamestown, today a thriving rural suburban community that has been one of the fastest growing communities in the state of Michigan. We are thankful to God for our past and looking ahead with promise towards the future.

An education wing addition opened to accommodate our growing congregation.

Jamestown Township is located in the heart of West Michigan - **20 miles from the beach** and the lakeshore, and **16 miles from the city of Grand Rapids.**

We are blessed by the **convenience** of living in between the cities of Holland and GR, while enjoying the **simplicity** of the farm stands, orchards and parks that dot our one-intersection "downtown." Our community is also blessed with **excellent schools** (preschool - high school) and colleges (Hope College, Calvin University, Grand Valley State University, Cornerstone University and more). It's a wonderful place to call home!
