## The Worship Philosophy of Almond Valley CRC

The chief purpose of our lives is to glorify God and enjoy him forever! At AVCRC our Christian Reformed beliefs impact our worship in a variety of ways, mostly through the centrality of the sermon in the worship service, the singing of theologically and musically vibrant songs, and an appreciation for biblically-rooted liturgies. In terms of musical style, our services feature a blend of classic hymns and newer praise songs. Almond Valley is greatly blessed with an abundance of musicians: four lead pianists, three acoustic guitarists, one organist, several other musicians who play a wide variety of other instruments, and more than a dozen singers who comprise 4 praise teams. Our vision for the newly created Worship Director position is that this person will inspire the congregation to worship Christ with "all our inmost being."
